

Dear parents,
It's a short week this week! Because we only have 3 days of school this week, your child will not have new spelling words. Please have your child complete the attached worksheets to practice our math and phonics skills. Don't forget to fill in your child's reading log. This packet is due on **Monday, October 23**. Enjoy!

Reading

List the book(s) your child reads, mark how long your child reads, and initial each night. **Your child needs to read every night** for at least 20 minutes.
